5. E-MENTORING TEAM & ACCOMPANYING PROGRAMME

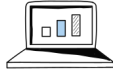

The E-Mentors are JLU students from various faculties who assist international virtual students by providing personal advice on student-related matters via email and video calls, as well as offering technical support.

- **ONLINE ORIENTATION WEEK FOR INTERNATIONAL STUDENTS (OWIS):** At the beginning of each semester, JLU hosts a virtual orientation week tailored for international students. Various online sessions offer essential information about the university's structure, along with guidance on the IT tools and administrative systems used at JLU.

Every first and third Monday of the month, Question Monday offers insights into relevant topics related to studying at JLU. Additionally, every Wednesday, we host a relaxed Online Get-Together, providing students with the chance to socialize outside of academic settings. Participants can join discussions, ask questions, engage in online games, or even find a Tandem partner.

6. ONLINE ORIENTATION WEEK FOR INTERNATIONAL STUDENTS (OWIS)

The online OWIS occurs every semester in the week prior to the start of lectures and provides various sessions to assist in preparing for the semester. These include an introduction to the electronic system landscape at JLU, tips on how to use it, access to the library system as well as interactive Question & Answer sessions. Additionally, the OWIS is an excellent opportunity to socialize. For instance, attending the online Welcome Session at the beginning of the week allows you to meet the VIP team at JLU, and the Ultimate Get-together provides a chance to network with your peers. Be sure to mark your calendar for OWIS!

Summer Semester: 14th to 17th April 2025
Winter Semester: 6th to 10th October 2025

7. ACCOMPANYING PROGRAMME

The International Office organises the Ultimate Get-together, weekly student-to-student online meetings, and a twice-monthly Question Monday. The programme is published monthly and invites you to get to know each other and network. You'll have the opportunity to meet JLU students and other international students in an informal setting at the Online Language Café or at the Quiz Night. Our Student Assistants are always keen to hear from enthusiastic students, so you are very welcome to contribute your own ideas to the programme planning during the semester!

- Throughout the application process and the semester, we provide online consultations. In Stud.IP (Teaching and Learning Platform), we establish a Group that provides the option to chat using Blubber, enabling virtual exchange students to connect with each other regardless of their chosen courses.

- Weekly Newsletter featuring information about studying at JLU, important online events and quirky anecdotes about cultural peculiarities of Hessians and Germans.

So gear up, future Virtual Exchange Students! Let's shoot for the stars, break through boundaries, and make history together.

🚀☀️ See you in the Virtual Exchange Galaxy!
